"The information extracted from his cellphone, describes exactly Daniel Atala, along with other partners of the DESA company, conspired to impose the hydroelectric project in an irregular manner, even to constitute the company in the same way", continued lawyer Victor.

### THE LACK OF JUSTICE HAVING EVIDENCE, IN NOT ONLY IMPUNITY BUT ALSO CORRUPTION

The lack of justice, when there is evidence, is not only impunity but also corruption which is why the state of Honduras is facing international lawsuit processes by not presenting the accusation against the criminal structure responsible for the intellectual authorships of this act
